

Mediterranean Sea *Collection*

With Bel-Air SPC you don't have to compromise, you can enjoy the unbeatable combination of durability, style and an easy to clean surface in one flooring product. Our SPC floors are made by combining lime-stone dust with 100% virgin plastic therefore they are virtually waterproof, allergen free and extremely resilient, making them a great choice for bathrooms and kitchens... but don't stop there, Bel-Air SPC floors looks just as good in the living room or any other space you may choose to install it.

FloorScore® Certification

FloorScore® is the most recognized indoor air quality certification standard for hard surface flooring materials, adhesives, and underlayment. Developed by SCS with the Resilient Floor Covering Institute (RFCI). This program tests and certifies hard surface flooring and the materials they're made with to ensure they are in compliance with stringent indoor air quality emissions. FloorScore® Certificates available At: www.belairwoodfloor.com
